RE: Freedom of Information Act 2000 Request

I write in response to your Freedom of Information Act 2000 (or 'FoIA 2000') request dated 26 May 2020. I note from your request that you seek the following information in relation to the College of Policing contract register:

The contract register should display all the organisations existing/live contracts I would like the register to display the following columns/headings:

1. Contract Reference
2. Contract Title
3. Procurement Category
4. Supplier Name
5. Spend (Total or Annual)
6. Contract Duration
7. Contract Extensions
8. Contract Starting Date
9. Expiration Date
10. Contract Description [Please provide me with as much detail as possible.]
11. Contact Owner (Full contact details if possible.)
12. CPV codes/ProClass

Contract Data/API Contact Details

13. Can you also provide me with contact details of the person responsible for the actual contract's register or someone responsible for API? [Name, Job Title, Telephone, Email Address] At the very least provide me with their actual job title.

Decision

After conducting careful searches for any information relevant to your request, I can confirm that there is information held in relation to part of your request. In line with your request I attach to the email enclosing this letter an excel sheet containing the information that you request. For the benefit of our public facing disclosure log I also attach a PDF version of that excel sheet at Disclosure 1 annexed to this letter.

Please note for your information that we use the procurement software mandated by the Home Office called ATAMIS. This system does not record CPV/Pro-class codes and so the answer to question 12 is no information held.

In regards to question 13 the College of Policing has a central contact email address for all commercial and procurement matters which you can reach at CPU.Mailbox@college.pnn.police.uk. This ensures that all procurements are managed appropriately and routed to the correct individual.

Your right of review is explained in **Appendix A**.

Yours sincerely,
