RE: Your request for information under the Freedom of Information Act 2000

I write in response to your Freedom of Information Act 2000 ('FoIA 2000') request, dated 31/03/2022, in which you requested:

"I would be most grateful if you would provide me, under the Freedom of Information Act, details in respect to any Catering, Cleaning, Security, Technical Services (this includes and planned or reactive repairs & maintenance) and facilities management services you have on contract.

The details we require are:

- Suppliers who applied for inclusion on each framework/contract and were successful & not successful at the PQQ & ITT stages
- Actual spend on this contract/framework (and any sub lots), from the start of the contract to the current date
- Start date & duration of framework/contract?
- Could you please provide a copy of the service/product specification given to all bidders for when this contract was last advertised?
- Is there an extension clause in the framework(s)/contract(s) and, if so, the duration of the extension?
- Has a decision been made yet on whether the framework(s)/contract(s) are being either extended or renewed?
- Who is the senior officer (outside of procurement) responsible for this contract?"

Decision

When a request for information is made under FoIA 2000, a public authority has a general duty under section 1(1) of the Act to inform an applicant whether the requested information is held. There is then a general obligation to communicate that information to the applicant. In line with section 1(1) of the FoIA, after conducting careful searches, I can confirm the College **holds no recorded information** relevant to your request.

The Ministry of Justice tendered the contract via the Crown Commercial Service on behalf of the College. As a result, we suggest you make a Freedom of Information Act request to the Ministry of Justice.

Your rights can be found at the end of this letter.

Yours sincerely,
