Experience

- **Essential** – Proven experience in CCDP investigative methodology.
- **Essential** – Proven CPD history.
- **Desirable** – Proven training experience.

Please note that if you are selected into an associate pool, the College cannot guarantee work. Any work arising will be offered on the basis of availability, fairness of allocation, and geography. Specific subject expertise and willingness to deliver internationally are considered as appropriate. Decisions will be recorded for audit purposes.

The pool will be re-competed (refreshed) in 3 years based on operational competence and skill fade.

The relevant terms and conditions that apply to these engagements can be found at [Become an associate – Important information](#). These opportunities are open to both personally engaged and corporate associates. A definition of these types of associate can be found in the [Associate Policy](#).

How to express your interest in joining one or more of these pools

Please complete and return the [expression of interest form](#) by email to: associates@college.police.uk along with any proof of qualifications (if applicable).

Closing date: 21 August 2023

Selection: Selection will be based upon review of the expression of interest form against the set criteria and qualifications.
